UNITED STATES DISTRICT COURT  
DISTRICT OF NEVADA

BRIAN M. WILSON, )  
Plaintiff, ) CASE NO.: 2:07-cv-616 LDG (VCF)  
vs. )  
AARGON AGENCY, INC., a Nevada )  
corporation, DUANE CHRISTY, DOES )  
I -V, inclusive and ROE Corporations )  
VI-X, inclusive, )  
Defendants. ) MOTION IN LIMINE TO EXCLUDE  
REFERENCE TO ATTORNEY'S  
MOTIVES OR ATTORNEY'S FEES

COMES NOW Plaintiff, BRIAN M. WILSON (hereinafter Plaintiff or "Mr. Wilson"), by and through his attorney, Craig B. Friedberg, and moves the Court for an Order in limine that Defendants Aargon Agency, Inc. ("Aargon") and Duane Christy ("Christy"), their witnesses, and attorneys shall not reference, suggest or mention, within the hearing of the jury, the availability of an award of attorney's fees to Plaintiff Mr. Wilson should he succeed in this litigation or that the action is being pursued for the benefit of the attorneys.

ARGUMENT

FDCPA and FCRA Defendants often claim that the Plaintiff's attorney's fee recovery is the "engine running this suit." That claim is contrary to the intent of Congress that the FDCPA and FCRA be enforced by private attorneys rather than overburdened public servants. *Graziano v. Harrison*, 950 F.2d 107, 113-14 (3d Cir. 1991)(FDCPA "mandates an award of attorney's fee as a means of fulfilling Congress'

1 intent that the Act should be enforced by debtors acting as private attorneys general").

2 Moreover, the argument is spurious where, as here, it is completely within  
3 Defendants' power to keep Plaintiff's fee to a minimum. Defendants mount a stalwart  
4 defense with full awareness that they are exposing themselves to a higher award of fees  
5 by doing so. *McGowan v. King, Inc.*, 661 F.2d 48, 51 (5th Cir. 1981). See also *Lipsett v.*  
6 *Blanco*, 975 F.2d 943, 941 (1st Cir. 1992). They cannot be heard to complain when this  
7 comes to pass.

8 "The award of attorney's fees is a matter for the judge not the jury." *Brooks v.*  
9 *Cook*, 938 F.2d 1048, 1050 (9th Cir. 1991). The Ninth Circuit went further to state:

10 In a case where the Plaintiff is entitled to compensatory damages,  
11 informing the jury of the Plaintiff's potential right to receive  
12 attorney's fees might lead the jury to offset the fees by reducing  
13 the damage award. Even more troubling, however, is the case  
14 where actual damages are small or non-existent. When damages  
are normal, there is a risk that the jury may believe that the  
'harm' does not justify the payment of a large fee award. The  
jury may thus decide to find for Defendant rather than allow the  
Plaintiffs' attorney to recover fees.

#### 15 CONCLUSION

16 WHEREFORE, a Motion in Limine should be granted directing Defendants  
17 Aargon and Christy, and Defendants' witnesses and attorneys, not to reference, suggest  
18 or mention, within the hearing of the jury, the availability of an award of attorney's fees  
19 to Plaintiff Mr. Wilson.

20 DATED this 27<sup>th</sup> day of August 2014.

21 Respectfully submitted by:
